PERSONAL ATTRIBUTES

I regard myself as a person who is fascinated by challenges in all sorts of way, work or life, that is merely based on my belief that evolving and adapting to challenges is the whole concept of being competitive and that is what i want to bring to the workplace. With the less experience that i have only means i have more room for improvement especially in programming languages, I have taught myself a few and am willing to learn and be productive as a software developer.

TO WHOM IT MAY CONCERN

The letter certify that **Mr. Matenjwa E** (Student number **216004809**) is a potential graduate for National Diploma in IT: Software Development from the Tshwane University of Technology.

It is my pleasure to recommend **Mr. Matenjwa E** for a work integrated learning exposure as it is a requirement for the student to complete the diploma

The major fields of study in this diploma are:

- Software Development (Programming)
- Mobile Development
- Business Analysis and Modelling
- Software Testing

For the experiential training to add value to the student, we suggest that the students be assigned tasks and responsibilities that are aligned to his/her field of study. It is to be noted that the above mentioned fields of studies are only a guideline in this regard, any other Information Technology (IT) oriented projects and task may also be accepted. The duration of the industry exposure should be a minimum of **6 months**.

The student has consistently demonstrated an ability to rise to any challenges that he may face in his/her academic studies or any other endeavour.

In conclusion, I would like to state my strong recommendation for **Mr. Matenjwa E** if you have any further questions regarding his/her ability or this recommendation, please do not hesitate to contact me or my office using the information on this letter head.
